

Parents:

The final activity each day for our campers in the Sunset Athletic Club, Sports and Activities Camp is swimming! It is indeed one of the highlights of camp and we want to be sure that all campers participating have adequate swimming skills. This is an open swim time and is not a swimming lesson. There will be lifeguards on duty as well as supervising coaches watching our campers; however, we need your written permission that your child may use the swimming pool, and Jacuzzi. In giving Sunset Athletic Club your written permission you are confirming that your child can swim the length of the swimming pool and is comfortable with this activity.

If your child has permission to be in the swimming pool area, please fill out the bottom portion of this form and return it promptly to camp. Your child will not be allowed in the swimming pool without this form completed.

Please feel free to ask questions or contact us by phone at (503)645-3535

Thank you for your cooperation.

Head Coach Alysha Knox

-----E-----

My Child

has my permission to be in the swimming pool area during camp hours monitored by both lifeguards and coaches.
