Fitness Class Descriptions

<p>AcuYoga: A system of exercises that integrates two ancient holistic methods of maintaining health....Accupressure and Yoga. Benefit from these stretching and breathing routines for relieving muscular tension, creating more joint space for improved mobility and balancing & restoring the vital life forces of the body's energy pathways, promoting relaxation and reducing stress</p>
<p>Barre: A fun, full body workout that includes strength, agility, endurance and flexibility. With high reps and low impact moves, Barre Classes fine-tune your muscles without increasing bulk.Expect increased flexibility, improved endurance, increased strength, better posture and increased bone density</p>
<p>Body Blast: A total body heart pumping aerobic strength and conditioning workout. An interval class combining challenging strength and high intensity cardio for a full body calorie blasting work out.</p>
<p>Cardio Strength: This class adds variety to your workout and offers a mix of dripping fun to cardio and focused strength to training exercises. A great way to set your energy for the day.</p>
<p>Core Stretch: A 30 minute class combining core strength exercises and stretching.</p>
<p>Dance Party: This exhilarating multicultural dance fitness class includes Bollywood, Latin, Jazz, and infused modern Belly Dancing. If you love to dance or want to learn, this class is for you. Join the party, boost your energy and express your unique self!</p>
<p>Express Weights: A 30 minute total body workout using light weights to strengthen and tone all muscle groups.</p>
<p>Fit-Ball: Do you know the secret for strengthening your core, protecting your joints and building muscle? It's stability. Fitballs, aka Stability balls, are more than just fun to sit and bounce on. Have a ball in this class while improving strength, cardio endurance and balance.</p>
<p>Flexible Spine: Our spine holds a key position in the development of our general health. When it's flexible and healthy, it can not function properly and nourish all bodily systems. This 30 minute class offers a sequence of stretching & breathing exercises that promote a flexible spine</p>
<p>Get Strong: Get stronger and more flexible in this total body strengthening class using a variety of equipment as well as body weight exercises. Modifications will be available. We welcome all fitness levels.</p>
<p>HIIT Circuit: An even mix of focused strength exercises and dripping fun cardio segments. The intervals alternate between 4 minutes of strengthening and 4 minutes of TABATA cardio (HIIT) and is easily adjustable to meet all fitness levels.</p>
<p>Mindful Meditation: Science tells us that Mindfulness and Meditation can make a positive difference in how our bodies and minds process stress. This class teaches simple ways to reduce stress and improve focus, which can be applied to your daily life. Discover the many benefits of Meditation in this 45 minute class.</p>
<p>Low Impact Aerobics: Sweat, smile and have fun in this joint-friendly aerobics class. Core exercises and stretching included, for all fitness levels.</p>
<p>Power Start: A challenging total body workout guaranteed to build strength and endurance by combining cardio moves and resistance training. This dynamic class is sure to jump start your day!</p>
<p>Qi Gong: This class links body, mind, and breath to cultivate chi (energy) promoting health and vitality. Learn the art of de-stressing and quieting the mind.</p>
<p>Roll and Relax: No need to feel stiff, stuck and sore. Release tension, mobilize joint space, relax muscles and find ease in movement. Foam rollers and tennis balls are used to trigger point and massage muscles.</p>
<p>SCoR: Bring a sweatshirt as we wind down for the night with a combination of Core Stability, balance, flexibility and foam Rolling</p>
<p>Spin: Indoor group cycling is a cardio experience bringing athletic training to participants of all abilities. An individually challenging and energizing class set to music that will develop strength and endurance. Riders determine their own level of challenge allowig those new to the activity as well as conditioned cyclists to experience success.</p>
<p>Strength & Balance: This class consists of "Functional Movements" that strengten shoulders, hips and spine. The exercises are performed with weight and Theraband resistance. Included are postures that improve spinal mobility, flexibility and balance. Class ends with some stretching. the music is great!!!</p>
<p>Step and Sculpt: A choreographed routine with step, blended with resistance training.</p>
<p>Stretch: This class addresses the entire body with a combination of dynamic and static stretches, and joint movements to complement the stretches. The last Tuesday of the month includes meditation.</p>
<p>Tai Chi: This moving, meditative form of exercise enhances one's health and vitality. Tai Chi fosters a calm and tranquil mind and helps with balance, alignment, agility, and stress reduction. Join Jamie in her "easy to learn" class.</p>
<p>Tae Kick: Get a kick out of getting fit in this total body workout. No bags! No gloves! Just a heart pumping workout that crushes calories, builds muscles and improves focus and balance.</p>
<p>20/20/20: This effective, well balanced workout has it all--20 minutes of muscle building strength work, 20 minutes of cardio endurance, and 20 minutes of flexibility. It's an excellent workout for all fitness levels. Mind-Body version on Tuesdays at 10:00 a.m.</p>
<p>Yoga: All Yoga classes consist of the following elements: flow, standing and seated postures, breathing practice and deep relaxation. Experience the benefits of quieting the mind and restoring a sense of physical and mental balance.</p>
<p>Power Yoga: Strengthen and challenge Mind and Body in this invigorating paced advanced Vinyasa style class</p>
<p>Vinyasa Yoga: A nurturing form of yoga with time to connect with your breath flowing from one pose to the next.</p>
<p>Yin Yoga: A passive, relaxing and nurturing form of yoga with time to connect with your breath and hold poses longer. This class includes meditation.</p>
<p>Yoga for Bone Health: Resistance weight training isn't the only way to strengthen your bones. Learn how to build stronger and healthier bones when younger, or how to slow or reverse osteoporosis when older. Blocks, straps, blankets, walls and chairs are used to insure correct and assessable poses whatever your level of ability.</p>
<p>Yoga Fundamentals: Deepen your practice with a thorough exploration of <i>asanas</i>, including their alignment principles, energetic actions, modifications and variations.</p>
<p>Yoga with a Kick: Combine Yoga practice with resistance band training to promote efficient movement patterns while improving joint mobility. Sprinkle with Yin static stretches, myofascial work with tennis balls and controlled breathing exercises to improve and bring balance to your Nervous System and you get yoga with a "Kick".</p>
<p>Zumba: An energizing dance fitness class featuring Latin and International music. Exercise in disguise! You'll burn lots of calories and have a great time! We also offer ZUMBA GOLD for those wanting a slower paced, low impact dance experience.</p>
